MEMORANDUM FOR: SCIENCE AND TECHNOLOGY PERSPECTIVES Readers

FROM:

Chief, Science and Technology Center
Foreign Broadcast Information Service

STAT

SUBJECT: New Publication

1. This is the first issue of SCIENCE AND TECHNOLOGY PERSPECTIVES, published by the FBIS Science and Technology Center (S&TC). PERSPECTIVES will cover major scientific and technological developments. Its format will accommodate single issues on a variety of topical and regional material, as well as special editions devoted to a single topic or country. Also included are annotated lists of selected foreign-language articles scheduled for publication in the Foreign Broadcast Information Service serial reports. PERSPECTIVES selections are based solely on foreign press, books and journals, or radio and television broadcasts.

2. PERSPECTIVES will be published about twice a month, depending on the availability of material. Comments and suggestions about the publication are welcome.
